

Instructions for making Coralie Easter Box

1. You will need:

- A cubed tissue box
- Card A4 2 colours
- Template – print on card or paper or use free hand
- Glue- Pritt stick or similar
- Scissors
- Googly eyes
- Black pen or dark felt tip
- Small and large bobble for nose and tail
- Optional- decoration like bows, rhinestones, ribbon.
- Tissue paper
- Chocolates- Easter eggs or pens and pencils

2. Print or draw template pattern- if you cannot use card use paper to copy onto card

3. Prepare the tissue box-

- Make sure the box is empty of tissues
- On top where hole is cut diagonally into each corner.
- Remove extra plastic if there
- Fold down to inside each of 4 sides of box and stick to inside of box. You may wish to use pegs to hold in place. This gives you an open top

4. Preparing pieces-

- Using the template cut out all your pieces- body, comb, two wings, two feet, one beak- print On computer or freehand to get sizing

5. Making Coralie Chicken.

- Check body fits inside your box- cut off small slivers if it does not.
- Attach the comb to the top of the head- stick onto rear of head not the front
- Arrange then stick two googly eyes and beak to face of body piece.
- Attach both the wings to the sides of the box
- Stick feet to front of box
- Optional- decorate Coralie with bows, images, tattoos or jewels as you wish.
- Stick body inside the box back panel. Make sure you can see face and body on same side!

6. Filling your box-

- Either put some bubble wrap or tissue paper in box and add Easter treats
- Or- fill with your pens and pencils
- Or come up with something you want to store (if a gift for mum she might use for her makeup and brushes.

Well done and enjoy your make – why not try one of the other patterns we have prepared- Rearden Rabbit or Sydney Sheep?
